

Blennerhassett Island by night...the

Mansion by Candlelight

*Spend an autumn evening with the
Blennerhassetts that you will never forget!*

FOR TWO NIGHTS ONLY!!!

As you board a sternwheeler at Civitan Park in Belpre, Ohio, you will begin your journey to Blennerhassett Island where an enchanted world only known to Harman and Margaret Blennerhassett existed more than 200 years ago. Many friends of the Blennerhassetts have gathered on the island for a wonderful evening of entertainment and you will also be a guest at the home of Harman and Margaret Blennerhassett. Transformed into an 18th-century party, Blennerhassett Island and its magnificent mansion is illuminated by hundreds of candles and lantern boxes. Docents, dressed in the style of the period will welcome you and the soft glow of candlelight will weave a mesmerizing spell 'round about you as you listen to the music, see 18th-century dances, or watch a lively game of cards, before strolling outside to enjoy the many planned activities on the island.

While on the island, plan to take a horse-drawn wagon ride, visit the gift shop, and warm yourself by an inviting bonfire at the servants' party where another spirited party is going on. At the servants' party you will hear Appalachian music, see clogging, watch apple butter being made, and hear haunting stories of local folklore.

All the evening's excitement will likely make you hungry. A special candlelight "harvest supper," consisting of roasted pork, potatoes, baked beans, coleslaw, rolls, pumpkin pie, and a beverage, will be offered on both evenings with advance reservations. The island concession will also be open and offer its regular menu items.

Reservations are required — call 304-420-4800 for tickets.
